

Have we made a difference?

Saturday, 28 January 2017

Â Have we made a difference?

What else should we be doing? We would like to know.

<http://news.bbc.co.uk/1/hi/magazine/8789014.stm>

This BBC news story from 2010 gave some insight into where we were just seven years ago. We at Campaign for Adventure would like to know if you think anything has changed, if it has changed enough and whether more needs to be done - and of course, if so, what else. Please do email us at admin@campaignforadventure.org and tell us what you think.
