

OAW2020 - Outdoor Adventure Week 2020

Sunday, 05 January 2020

So many things are happening as we move towards Spring, (we hope not through an extreme winter, although adventure depends on this) it only remains to mention OAW2020 - a chance to link with all adventurers in the UK, raising awareness of the adventurous opportunities available this year. Tell us about your planned adventure between the 22nd May and 31st May 2020....and we will use your stories to tell the World!

If you wish for more publicity for your club, school or community, it is here here and here. If you wish to join others. We have a programme of Press and Publicity Training, too. Just link to Facebook OAW2020

Make your 2020 adventurous and spectacular for everyone...
